OVERVIEW
This course has been designed to provide students with the opportunity to achieve and maintain personal fitness through jogging and/or walking.

OBJECTIVES
1. To increase the individual’s strength, flexibility and cardiovascular fitness.
2. To make students aware of general fitness concepts.
3. To introduce various training methods.

EVALUATION
1. The class will consist of a pass/fail grading system.
2. After three (3) absences, the student will lose all class credit and receive an “F” for the course. Only three make-ups will be allowed
3. Participation, attitude, and attendance will be the main criteria on which the final grade will be determined.

EQUIPMENT
1. Proper shoes are strongly recommended as a means of reducing injury. Running shoes with arch support are preferred.
