Class Objective:
The objective of the class is to teach the fundamentals and techniques of bowling. Scoring, terms, and etiquette will be included. The main goal is to have fun, and while doing so increase knowledge and skill of the sport.

Fees:
There is a fee for this class. This is used to pay for use of the facility, lineage, machine wear and tear, any handouts, rental shoes and instructor salary.

Grading:
Grading is on a pass/fail basis as follows:

- Test: 70% required to pass. A makeup assignment will be offered for a score lower than a 70%.
- Attendance: Attendance is mandatory and students are expected to attend class ON TIME, ready to participate and are expected to stay for the entire class. Each student gets three absences for free. If more than three classes are missed the student is expected to make up those absences by bowling one complete game, outside of class, for each class missed up to four. A printout of the students score with their name and class time written on the score sheet must be turned in to the instructor to count for a makeup. If a student misses more than seven classes they are required to talk to the instructor to determine how to make up the additional time missed. All make ups will be done at the students own cost. School excused absences will not count towards this total, if a school excused document is provided to the instructor. If a student is injured and unable to bowl, the student is still expected to attend class if possible. IT IS THE RESPONSIBILITY OF EACH STUDENT TO MAKE SURE THEY ARE COUNTED FOR ATTENDANCE.

Dress:
Regular school attire is acceptable. Clothing should be modest and allow for safe bowling. Avoid clothing that is too tight or too loose, especially pants that may get underneath the bowling shoes.

Shoes:
BOWLING SHOES MUST BE WORN WHILE BOWLING.
Students may wear their personal bowling shoes or check some out at the front desk before class starts. Students are required to wear socks if using the provided shoes.

Food:
No outside food or drink is allowed. Food and drink items may be purchased at the Snack Bar. All food and drink items should be kept on carpeted areas. Notify center staff immediately of spills as they can be a hazard to bowlers.

Behavior:
Students will follow the posted rules and instructions given by the instructor or staff. Failure to follow the rules or listen to directions given by the instructor or staff will result in the student’s dismissal for the day and a forfeiture of the day’s attendance. The student will not be able to make up this absence. Students damaging property will be dismissed from class.

Students who feel they have been unfairly treated [in manners other than (i) discipline or (ii) admission, residency, employment, traffic, and parking – which are addressed by procedures separate and independent from the Student Code] may file a grievance through the channels and procedures described in the Student Code: Article VII. Grievances, pp 25-30.
