Course Objective:
Introduction to fly fishing, including learning knots, flies, casting and understanding trout streams. We will also fish on a stream.

Fee:
Class fees go to outside instruction (Rivers Wild) and materials involved in the class. Also pays for reservations for a private ranch.

Attendance:
Roll will be taken at the beginning of each class

Grading:
Pass/Fail, attendance and class participation

Materials:
You will need a fly rod, reel and line rigged up ready to go. Rivers Wild has few extras for those that do not have them.

*If we have bad weather on a class day, an email will be sent to you letting you know if we are having class or not.
