KHS Department Jeopardy Game

09/21/2021

Pictured: Sara Harper (KHS Postdoctoral Fellow), Carly Fonnesbeck, Branson Fonnesbeck (KHS student), Dale Wagner (KHS Professor)

Working in teams, students were asked to answer questions that included exercise physiology, biomechanics, exercise prescription, and other related topics.

Kudos to Branson Fonnesbeck for representing KHS. We look forward to future events like this.
